Amendments to the Claims:

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claim 1 (currently amended): An intravascular treatment device, comprising:
a contractable stent locatable interior of an aneurysmal site in a blood vessel;
wherein the stent supports the aneurysmal site upon deployment by engaging the inwardly-facing surface of the vessel wall, contracts when the aneurysmal site contracts due to healing, and comprises at least one therapeutic agent.

Claim 2 (currently amended): The treatment device of claim 1, wherein the stent has a helical configuration.

Claim 3 (currently amended): The treatment device of claim 2, wherein the stent comprises at least one helix.

Claim 4 (currently amended): The treatment device of claim 3, wherein the stent comprises a double-helix.

Claim 5 (currently amended): The treatment device of claim 4, wherein the stent comprises a triple-helix.

Claim 6 (currently amended): The treatment device of claim 1, wherein the stent is self-expandable.

Claim 7 (original): The treatment device of claim 1, wherein the stent comprises a polymer.

Claim 8 (original): The treatment device of claim 7, wherein the polymer is biodegradable.
